

Support Carnegie

Contributors and Funders

The Carnegie Endowment for International Peace relies on the philanthropic support of a diverse group of foundations, corporations, governments, and individuals who invest in our programs and core operations each year.

We are grateful for the generous support of our donors in fiscal year 2018 who encourage our mission to advance the cause of peace. The following list reflects cash contribution received from July 1, 2017, through June 30, 2018.
